

Springboro Community Assistance Center
Backpack Program
\$3 a week per backpack

Help kids
in need!!!

Each weekend there are approximately 400 children in the Springboro area who are potentially food insecure. The Backpack Program provides weekend food for children who might otherwise be hungry over the weekend. Coordinated through the Springboro Community Assistance Center, with the partnership of the Springboro Schools, Springboro Baptist Church, and other local churches and community volunteers, need is assessed and children are helped each weekend during the school year.

WE NEED YOUR HELP!

Please consider sponsoring a child for the 2015-2016 school year.
